## The Mason LINE

by Chan Mason

Grossmont High Chapters of 4H and Future Farmers Clubs are going to exhibit their livestock this year at the El Cajon Fair, May 25-30. We think a visit to the Junior Livestock Exhibit tent at the fair will be of great interest to all.

These young people finance their own projects, keep their own books and are doing a remarkable job. Of course, with new zoning ordinances sneaking into existence in our area every week or so, the boys will be unable to carry on or expand their projects, but they probably can find a community in another county that isn't as progressive as ours. One in which smelly old cattle and poultry are allowed to be grown for profit! Now that all future expansion of our plane plants also has been banned, it will be interesting to see just where these enterprising young men do eventually settle.

Horace Greely would probably add a few words to his famous slogan today, "Go west, young man, but not too far west."

—ML—  
How about those Padres? There is a really good exciting ball club to watch. A personage who seems to get much abuse when the club is losing but who is never mentioned when the team is winning, is owner Bill Starr. We think he's doing quite a job.

Don't let anyone kid you into believing that Big League ball as played by about 12 of the 16 clubs in the Big League is any better or as exciting as we are witnessing right here. We know, we took in many a game in the 13 years we lived in the east.

—ML—  
Isn't it about time for the annual Lions-Kiwanis ball game? If for no other reason it would be good to keep their Blue Cross active!

—ML—  
We read where Robert Mitchum, the screen star, is off on a long cruise. The movies will be "better than ever," in our opinion, if he keeps going from "Here to Eternity."

## MRS. GOMES INSTALLED AS GOLDEN P-TA PRESIDENT

The past year's activities of Golden Avenue School passed before the eyes of the P-TA members last Thursday at the regular May meeting.

Slides, depicting the highlights of the past year, as well as scenes of everyday classroom activities were presented by William Fitch and narrated by Mrs. Evelyn Lauritsen, school principal. The pictured events began with the 1954 Mayday Festivities, included the Bicycle Safety Tests last October, the Christmas play, the Easter Cantata, and the very colorful visit of the Mexican school children to the school.

During the business meeting a revised set of by-laws were adopted by the association. The president-elect, Mrs. Alice Gomes, reported on her recent trip to the California P-TA convention in Los Angeles, and Mrs. Dorothy Armstrong gave a very interesting historical report.

After the business meeting, the new officers for 1955-56 were installed by Mrs. Lauritsen. New officers are: President, Mrs. J. C. Gomes; first vice president (program), Mrs. Bruce Morgan; second vice president (membership), Mrs. Alf Halmberg; recording secretary, Mrs. Arthur Long; corresponding secretary, William Fitch; treasurer, I. D. Wilder; auditor, Mrs. T. J. La Rose; parliamentary, Mrs. Evelyn Lauritsen; historian, Mrs. Detnes.

After the installation ceremonies, Mr. Lange thanked all those who supported him in his work this past year and presented the gavel to the new president, Mrs. Gomes, who in turn presented Mr. Lange with his past president's pin.

Mr. Fitch's room won the room count. The faculty served cake and coffee after the meeting.

## Hegland to Fight 4 Cent Sales Tax in Unincorporated Areas

Sheridan Hegland, 77th District Assemblyman, said this week that he would oppose the 4 cent sales tax proposal. Hegland said that some of his closest friends are city councilmen and that he knew how badly cities need additional revenue.

"I don't believe it's right to force this tax on unincorporated areas. We need more local government other than less. That's why I oppose this tax in its present form," he said.

## Pool Fund Tops \$11,000.00 As Carnival is Rated 'Success'

The Lemon Grove Swimming Pool bankroll topped \$11,000 as the Swimming Pool Association crew began the long job of counting up more than \$5,000 in dimes, quarters and bills following the Carnival Friday and Saturday at St. John's Rodeo Grounds.

A complete report will be made by the association as soon as the counting job is completed and all expenses are paid.

The event, more successful and better integrated than last year's, attracted more than 7,000 persons along the parade route and drew more than 10,000 participants, mostly kids, to the two day carnival. Use of St. John of the Cross facilities contributed to the success.

The parade on Friday evening had 1500 participants. These included such attractions as Rear Admiral Les Gehres who was parade marshal. He shared the spotlight with Sandra Jordan (Miss Lemon Grove) and her court.

Practically every dance studio in the area contributed talent for a three hour entertainment program on Saturday and two dances, a square dance and a teenage hop, also attracted throngs.

The booths and rides, designed to absorb more than \$1,500 in scrip which had been sold prior to the event, proved popular with all age groups. These booths were manned by members of various local clubs.

The grand prize, a bicycle, was won by Jim Fraser, who has a 10 year old boy and a 14 year old girl. Dr. Robert Swenson won the electric broiler. Prizes were donated by Kiwanis, Lions and Business Women's League.

Ten baseballs, all autographed by members of the San Diego Padres, were acquired and distributed by Eddie Eraut, star pitcher for the team, who lives in Lemon Grove.

The Lemon Grove Junior High School student body contributed \$60 to the fund, the receipts of a dance at school.

In all, it was a tired but happy town Saturday after the final light was doused.

The Swimming Pool Association, which is made up of representatives from every local group, said that an expression of thanks should be given to St. John of the Cross for supplying the grounds and booths without charge; the Lemon Grove Fire Department which rendered first aid and patrol service; the Van Ingram family which donated electrical service; the Grove Theatre for use of a mobile public address system; the Grove Bakery for a contribution of cakes; Miller Dairy for cream; the Holly Sugar Co. for the contribution of sugar and the cotton candy machine; Aircraft Signs for their effort and many others.

"The turnout was gratifying," said Swimming Pool Association representative Emmett Marshall. "We plan to start discussing sites soon," he said.

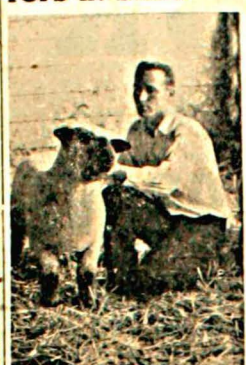

Estimates of the cost of a swimming pool run as high as \$100,000.00.

## HELIX P-TA TO HEAR ABOUT CONVENTION

The regular meeting of the Helix High School P-TA will be held May 26 at 7:30 p.m. in the Helix Cafeteria.

The president, Mrs. W. D. Beasley, announced there will be a short report from the incoming president, Albert Wallace, on this year's convention which was held in Los Angeles.

Mrs. Robert Brown, program chairman, has a very interesting meeting planned with many students taking part. The program will be under the direction of Donald Tarr, speech teacher, and Daniel Lewis, head of the music department. Pat Mehl, tenth grade speech student, will be mistress of ceremonies. There will be a trombone solo by Ron and Cline, accompanied by Kathy Pendergrass; a speech "Panacea for Dreams" by John Koger, tenth grade; a clarinet quartet by Leroy Kerl, Butch Gardner, Ward Beck, Charles Davies; and a humorous speech, "My Secret Ambition" by Georganne Gardner, twelfth grade.

Installation of the 1955-56 officers for Helix P-TA will be conducted by Dr. Jens Hutchens. Mrs. G. A. Rhodes, hospitality chairman, announced that refreshments will be furnished by the Spring Valley, San Miguel, and Monterey Heights areas under the direction of Mrs. H. L. Hensley, Mrs. Kenneth Hayes, and Mrs. Simmons.

## All Grandstand Shows to Be Free At County Fair

Visitors to the 16th annual Southern California Exposition and County Fair at Del Mar, June 24 through July 4, are assured of ample, top-notch entertainment throughout the 11-day run, Secretary-Manager Paul T. Mannen pointed out.

In addition to Welk on closing day, a gigantic fireworks exhibition is scheduled. Grandstand shows will be augmented with the Marion Rankin Dancers, the Ramseys, Egyptian tumbler and acrobats; and the Villenaves, a spectacular cycle act. The Hollywood Theatrical Agency, headed by Carolina and Jo Brunson, is producing the shows for the fourth year.

## Rules Given for Foot Health of Youngsters

National Foot Health Week is being marked this week in Lemon Grove and elsewhere in the U.S.

Authorities state that 65% of boys and 65% of girls of school age have foot disorders.

Parents, they say, pay a great deal of attention to the youngsters' eyes and teeth but often overlook feet altogether. Foot weaknesses can be more readily corrected when the child is young and the bones are soft. Shoe stores handling children's shoes can give parents warning on foot problems. For obvious trouble or questions concerning youngsters' feet, a doctor should be consulted.

...  
A set of rules set down by the National Association of Chiropodists makes a good guide.

1. What growing feet. Replace shoe with a larger size as soon as indicated.

2. Teach children to toe straight ahead when walking. Toeing out weakens ankles.

3. Discard short stockings that crowd growing feet.

4. Bathe feet daily in warm water, brushing toenails.

5. Cut toenails straight across even with the end of the toes.

6. Never cut corns or calluses.

7. Keep the heels of shoes straight and soles firm.

8. Provide a good nutritional diet. Feet need the right food to grow properly.

9. Seek professional care as early as possible for knock knees, bow legs or pigeon toes. These defects may be the results of faulty feet.

10. Have children's feet, and your own, examined at regular intervals by your own doctor or a chiropodist.

## New Business Building Being Built On Broadway

William Palmer, a builder, of 7376 University Ave., announced this week that the two business locations he is constructing in the 7600 block on Broadway would be ready for occupancy in about 45 days.

Palmer said that the structure, which is opposite Mayfair and west of McMahan's, had not been rented.

Although the building is being designed for two addresses, it could very readily be converted into one large one, he pointed out. The building is 50 feet wide and 60 feet deep.

## The Dimmer VIEW

By MAX GOODWIN

When the telephone rang at 7 a.m., the time I normally stick a pencil behind my ear and officially start the grind at my office, it was, as I expected, an emergency.

"My horse wandered off last night," said a voice. "If anyone should report a lost horse would you give them my number to call?"

"You can believe it or not but that was as nearly related to my duties as a county newspaper editor as many of the calls I had for the next few hours... and I had a score of them.

A lady called during the morning hours to announce that she was to attend a wedding at Ontario, California, and would I want the story. "Where is Ontario," she finally demanded of me. I checked my atlas and told her it was near Porfona. "That's too far to go to any wedding," she retorted angrily as if it were my fault the wedding was not being held in Lemon Grove.

A woman trying to contact the justice court called for aid in getting the court's telephone number. I explained how it was a function of the county and could be found under the San Diego County listing in the phone book. Would I be so kind as to look it up for her, she wanted to know. "My glasses are in the bedroom and I don't want to take the time to get them." She seemed upset because I didn't have time to look the number up for her.

A man called me in the early afternoon to inquire helpfully if I was interested in a story concerning the flowering peach trees being in bloom in Balboa Park. "Sure, write it up and bring it in," I said cheerfully. "If you can't write it you can go to H—," he answered and banged up the receiver.

A man called during the later afternoon and said that we had run a want-ad on a television set, for which he had made an offer to buy. The dealer explained that the set would eventually be sold to satisfy a bill for repairs, and the ad would run three times to meet with the owner's belief that he had properly notified the debtor.

"I left my family and made a trip all the way into town and they wouldn't talk to me about selling it," he complained. "That's false advertising and the shopkeeper ought to be arrested," he roared.

Another interesting bit of information was relayed to me in person by one of my readers with whom I happened to be sitting at the baseball game that night.

"There's a good yarn for your paper in our neighborhood," he said. "People who live next to us have a new watch duck."

"You mean watch dog," I countered, little realizing the trap I had fallen into.

"No, I mean watch duck," he insisted.

I don't have to draw you a picture. This guy spent three full innings telling me how the neighbors acquired a barn-yard variety duck and trained it to quack an alarm when strangers approached. He swore that anyone entering the yard at night was in for a severe pecking.

When I get home late for dinner, which is the usual schedule at our house, and my wife complains about the trouble she's had with the kids and neighbors, I seal my lips against retort, but you can see I got problems, too.

## Barbara Jo Thomas To Give Recital Saturday

Among the numbers she will play are "Sonatina" and "Ave Maria" by Schubert, and "The Swan" by Saint-Saens.

The public is invited. Department of Motor Vehicles driver license examiners served 205 California communities in 1954.

## THE SHOW'S THE THING!

Looking very nice in technicolor and very clear in Paramount's VistaVision, "Three Ring Circus" has opened at the Grove Theatre this Wednesday, May 18.

"Three Ring Circus" features the first time Dean Martin and Jerry Lewis, the stars, are under the Big Top. The producer is none other than Hal Wallis, with the co-stars being Clyde Beatty (featuring his circus), Joanne Dru and Zsa Zsa Gabor. Jerry portrays a wistful clown who finally makes the grade, giving performances that are both zany and tear-jerking. Dean portrays a hated heel, but comes across with a couple songs like "It's a Big, Wide, Wonderful World" and "Hey, Punchinello." Joanne plays the role of a clean-cut American gal that inherits her dad's circus. Zsa Zsa is a temperamental star serialist with the heart and soul of a bear-trap. All in all it makes for good family entertainment. The companion feature is an action drama, "Hell's Outpost," based on Luke Short's book, "Silver Rock." It stars Rod Cameron, Joan Leslie and Chill Wills. "Hell's Outpost" is a run-of-the-mill movie.

Saturday's matinee features a serial and five cartoons, plus Martin and Lewis in "Three Ring Circus" and "Man from Tumbleweed" starring "Wild" Bill Elliot.

Attention all you Marlon Brando fans! Another movie in a series of Brando movies will be screened at the Grove Theatre this Sunday, Monday and Tuesday night, "Desiree," from the famous novel, will be the No. 1 pic. "Desiree" is the story of Napoleon's court and of the romance between a noblewoman and one of Bonaparte's generals. It is in Cinemascope and technicolor, and stars Brando, Jean Simmons, Merle Oberon and Michael Ren-

nie. The co-feature is Zachary Scott in "Treasure of Ruby Hills."

## REPORT FROM THE ASSEMBLY

By SHERIDAN HEGLAND  
 Member, State Legislature

A plan of the State Department of Education virtually to compel unification of school districts within three years was defeated. The plan was presented to the Assembly Education Committee. I opposed it. We must preserve what powers remain with local school boards and local voters. Already too much power has moved to Sacramento.

The wire-tapping bill faces its first serious test in the Assembly this week. Most newspapers, large and small, are on record against this bill, including the Hearst publications.

There is already a great deal of illegal wire-tapping. But that is no reason why we should make it legal. A man's house should remain his castle, and we must not turn America into a police state. This wire tapping bill is just another indication of the trend to put more and more power into the hands of government. I hope it will be defeated.

My Assembly Bill to provide scholarships, on the basis of competitive examinations, to outstanding high school graduates, has passed the Education Committee.

The bill has the support of 23 private colleges and universities in California.

There are 6,700 empty seats in private universities and the public colleges are jammed to capacity. Every youngster who wins a scholarship and attends a private university will take just that much load off public colleges.

AB 1546, of course, will save a good many tax dollars.

In another effort to take part of the load off state colleges, the Assembly Education committee this week voted to increase tuition for out-of-state students.

With seats in public colleges scarce and education expensive, our first obligation is to California youngsters.

## Officers to Be Installed By Writers Club

The La Mesa Writer's Club will hold their regular meeting Monday, May 22, at the Presbyterian Church, El Cajon. Board meeting at 12:30 p.m., general meeting, 1:30 p.m.

The main order of business will be the installation of the new officers. Installing officer will be Mr. John Davis, director of adult education from Grossmont High School.

Visitors are welcome and refreshments will be served.

## OLD CROSSWORD PUZZLES WANTED

There's quite a demand for newspaper crossword puzzles, according to Mrs. Randolph Morse, one of Lemon Grove's Red Cross representatives.

These puzzles are pasted on cardboard and the answers are glued to the reverse side. The cards are then distributed to patients in the Navy Hospital.

The big ones, like the kind printed in Sunday newspapers, are particularly desirable, she said.

Clippings should be dropped in the Red Cross box in the Lemon Grove branch library.

## Mary Lou Curbow Wins Popularity Contest

Mary Lou Curbow, 2952 B St., San Diego, a long time employee of Lemon Grove Mayfair, was named winner of the clerk-popularity contest held earlier this month.

Patrons voted on the Mayfair clerk they favored and Mary Lou won in a tight race. The prize was a clock-radio.

## Levis and Laces to Sponsor Junior Square Dance Class

Levis and Laces Square Dance Club announces the organization of a Junior Square Dance class to begin immediately.

Registration will be held at the Woman's Clubhouse at 2810 Main Street this Thursday at 4 o'clock. Children from fourth grade up are invited to join the class, according to Mrs. Agnes Lizama, chairman of the Junior Square Dance committee for the club.

Juan Frank, caller for Hix Mixers at Suncrest will instruct the junior class. Mrs. Frank is a member of Levis and Laces and can be heard weekly calling for Levis and Laces at their regular workshop on Wednesday nights at the Woman's Club.

The Junior Square Dance class is to be conducted on a non profit basis. Charges will be made sufficient to cover cost of the hall and the instructor. The more children who join, the lower the cost per child will be.

Classes will be held for 14 weeks, to be climaxed by a graduation party at the end of that time.

Increasing demands for such a

class for local youngsters led Levis and Laces board members to organize the class.

Thursday will be regular class day, starting promptly at 4 p.m. and parents may be assured of adequate adult supervision by members of Levis and Laces.

Those wishing further information concerning the junior class are asked to call Mrs. Lizama at HO 6-5364.

## How to make sure you get the right number

Look it up. Be sure you look up the right number in your directory or Blue Book before you start to dial.

Put it down. It helps to have the number written down in front of you so you don't forget it while you dial.

Dial the complete number. Be sure you dial the first two letters and the numeral of the prefix, then the other four figures. For example, to call CYPRESS 5-7599, first dial C-Y-5, then dial 7-5-9-9. Pacific Telephone

### FIRE DEPARTMENT OFFERS LIST FOR CHECKING HOME SAFETY

"Make your home fire-safe," admonishes Lemon Grove Fire Chief H. L. Hensley. "The first step toward that is having a clean home," he added.

"Most housewives don't realize it but firemen know for a fact that most home fires would never happen if everyone kept their homes and yards rubbish-free," he said.

Chief Hensley offered a checklist which he calls the Spring Clean-Up Check Test for those who would test their own homes... and perhaps, lives:

1. Trash and rubbish—do you regularly dispose of old linens, cast-off clothing, mattresses and old furniture, curtains, draperies, lampshades, magazines, papers?

2. Outside—do you keep the grounds around your house free of dead grass, weeds, trash and dried brush?

3. Cleaning materials—are your dust mops safely stored and oily rags kept in safe metal containers?

4. Machinery—do you keep your home tools, motors and appliances serviced and clean?

5. Electricity—do you use 15 ampere fuses... and do you promptly replace worn or damaged cords?

6. Painting—do you keep wood in and out of the house painted... and do you remove and replace old woodwork and fencing?

7. Smoking—do you have plenty of well-designed ash trays always handy for smokers?

8. Valuable rubbish—do you cooperate with charity drives for paper and trash; salvage your cast-off clothing, furniture, etc., or contribute it to rummage sales ("don't forget to tie papers in neat bundles.")

### STUDENT OFFICERS

#### INSTALLED MONDAY NIGHT

New associated student officers of State College, headed by Bob House, president, were installed at a dinner Monday night in Michael's Restaurant.

George Sunga, outgoing president, was the installing officer and main speaker. Special guests were college administrators, Dr. Malcolm A. Love, president; Dr. Herbert C. Peiffer, dean of students; Edmund Nuttal, activities advisor; Dr. Marjorie Brookshire, women's dean, and Dich Thomas, graduate manager.

### HELIX QUALIFIES FOUR

#### TRACK ASPIRANTS

Helix High School qualified only four men in last Saturday's CIF track and field quarter-final eliminations held on a cold and windy track oval at State College. Neal Curtis and Henry Bonilla qualified in the A division. Neal is in the high jump (he has tied the Helix school record at 5'10") and Henry pole-vaults (his best is 11'9"). Bill Ernest is the only B qualifier, in the 100 and 220. Bill has sprinted the century in 10.3 and has blazed the 220 in the excellent high school time of .22.5. Ordinarily that wouldn't be sensational, except young Bill is only in the ninth grade—with three years of high school track eligibility left.

Helix qualified one C entrant, George Lawton, who runs the 180 yard dash. George has run the event in .19.5.

The B 660 yard relay team (Danny Spinazzola, Ron Backus, Gary Trushinski and Bill Ernest) came within 1.5 of a second of the state record, but was disqualified in a bad baton pass between Dan and Ron. The four qualifiers will seek entrance in the state finals this Tuesday at the semis held at Huntington Beach.

### Choir Award Banquet Set for Helix

The Helix Highlander vocal music awards banquet will be held May 31 in the Helix Green Room at 6:30 p.m.

All awards will be made on the point system. The high point awards will go to sophomores, juniors and seniors. Recognition is given for achievement, attendance, and solo and ensemble festival participation.

Approximately 175 members, parents and friends will attend the banquet.

### CYSTIC FIBROSIS FOUNDATION BEING FORMED

Organization plans for the San Diego County Chapter of the Cystic Fibrosis Foundation are under way with the appointment of temporary officers, it was reported by Mrs. Alan Gray, chairman, 4710 73rd St., La Mesa. Cystic fibrosis is a congenital, usually fatal disease of the pancreas of children which was until recently considered comparatively rare, it cause and cure being unknown.

Research toward the cure of this tragic condition is going on in Los Angeles, New York, Boston and other medical centers. The Cystic Fibrosis Foundation, started in Los Angeles, was formed by laymen a year ago to support this research and carry on educational work.

A membership and planning meeting is being scheduled by the San Diego group for the near future. Those sympathetic toward this work or with knowledge of victims of the disease are urged to communicate with Mrs. Gray, Hopkins 6-9072.

### NEW CLASS IN BIBLE STUDY ATTRACTS FIFTY

The Adult Bible Class of Trinity Presbyterian Church got off to a flying start in their first evening session Sunday under the leadership of Arthur Dahlquist. This evening meeting was more or less of a trial, but the opening session with 50 present assures its success.

### TRANS-ATLANTIC TELEVISION

Would you like to see a ballet from Paris, a musical from London or an opera from Rome on your TV set? Looks like you will get the chance in the not too distant future. A new submarine telephone cable goes into operation in 1956, and the experts say it will be just as good for television as for phone calls—

### Disabled Social Security Card Holders May Benefit Under 'Freeze' Provisions

Disabled people who used to work under the social security law should get in touch with the Social Security Administration by June 30, to find out about having their earnings record "frozen," Richard Spry, field representative of the San Diego Social Security office, announced today.

Spry believes that many people in this area will be helped by the disability freeze provision. This new part of the law provides that, after working for a certain number of years, a worker's social security rights will not decrease during the period of his disability.

The address of the Social Security office is 1196 Broadway, San Diego 1, California. If a disabled worker is unable to call at the office, he should clip and mail at once the "Disability Notice" coupon shown here.

### Sports Roundup

Lynn Aase was the loser and Patterson was the winner in an upset ball game between Mar Vista and Helix, that saw the Mariners side-step the Highlanders by the score of 8-5. The game was Tuesday before last at Highlandville and two Mar Vista lads hit two home runs for three tallies.

On the local prep tennis scene Helix edged the supposed perennial powerhouse of the City League, San Diego, 4-3.

Last Friday saw the Highland Varsity 9 whip the Red Devils of Sweetwater, 6-4. For Helix it was six runs, seven hits and two errors. For Sweetwater it was four runs, seven hits but they goofed for seven errors. The winning battery for Helix was Westphal and Rudzinski. The losing battery was Balogh and Heath.

In a CIF track meet held on a cold oval at State College last Saturday, Helix qualified only four men: Neal Curtis (A high-jump), Henry Bonilla (A pole-vault), Bill Ernest (B 100 and 220) and George Lawton (C180). Those four fellows will run it off the day after tomorrow at Huntington Beach in the state semifinals.

As of last Monday the Metro baseball standings were: Grossmont (9-1), Chula Vista (8-2), HELIX (6-5), Mar Vista (2-9), and Sweetwater (1-9).

Sport Briefs: Two Grossmont grid men, Bob Stockton and Ron Johnson, are planning to play ball at San Diego JC in the fall.

Eddie Southern, 17-year-old Dallas, Texas, high school athlete recently ran the 440 in .47.2, sprinted the 220 in .20.7 and topped the high timbers in .14.2. Eddie is being tempted by Southern Cal... A Langel High School pitcher (Anderson, Indiana), recently pitched a one-hitter, striking out 21 batters in a seven-inning game... Last Friday the 13th, a freshman pitcher for St. Ladislus High School, Detroit, pitched a no-hitter, striking out 13 opponents. On ye, the winning pitcher wears a 13 on his uniform and his teammates collected 13 hits.—B. T.

## More Exhibitors Wanted for County Fair

Collectors, home artists, hobbyists, craftsmen and photographers are invited to participate in two major divisions at this summer's Southern California Exposition and County Fair at Del Mar, June 24 through July 4.

The exposition's hobby show will have its own building for the first time, said Bill Morgan, superintendent. It will contain 10,000 square feet for displays, a considerable increase over previous years.

There are no entry fees and competition is open to the world. Ribbons and trophy will be awarded, Morgan said. All exhibitors will receive certificates of participation. Exhibitors may include in their exhibits, display aids, cases or mounts, which are useful in presenting their hobbies. Application forms now are available by writing to the Hobby Show Department at the exposition.

For photographers, the sixth annual international exhibition of photography under the direction of Ray Smith, will have special appeal.

Meanwhile, advance sale of exposition tickets has been reported as excellent by units of the Parent-Teachers Association. This organization is selling adult tickets for 50c, a reduction of 35c from the regular admission to be in effect at the exposition. Sharing in the proceeds of the sale will be the P-TA and the Dental Health Center, secretary-manager Paul T. Mannen said.

## MYASTHENIA GRAVIS FOUNDATION MEETS

Mrs. Barbara Vinson will be the speaker at the next meeting of the myasthenia gravis foundation for San Diego County at the college room in the Presbyterian Church at Fourth and Date Streets in San Diego, May 19, at 8 p.m.

Mrs. Vinson is secretary-treasurer for the multiple-sclerosis association and has won the achievement award of the Phi Alpha Kappa Chi society for her meritorious service of 1954.

Myasthenia gravis, or MG, like multiple sclerosis, is a rare disease affecting the muscles, and patients afflicted are very seriously handicapped. They have organized in an attempt to promote research to develop a cure for this disease, which now is seemingly incurable.

The public is invited to attend these meetings and learn of the needs of the group, and also to help locate others who may be victims of M.G. It is a difficult disease to diagnose, and the local foundation is very anxious to contact all who have the disease, to assist them, and solicit their assistance in finding a cure for it.

This group is holding a Food Sale in the Lemon Grove Plaza May 21 at 10 a.m. If anyone wishes to contribute baked articles for this worthy cause, call HO 6-3574 for pick up.

## Singer Hits Stardust Jackpot

Honey-blond, green-eyed Jana Ekelund stepped from an off-camera role as one of The Pied Pipers singing group right into a featured spot on Pacific Telephone's half-hour film musical, This is Your Music.

The tune-filled show, seen locally on Channel 10, spotlights Jana in a featured singing and dancing role. She's been "on camera" for all but the very first TIYM show.

Now 21, California-born Jana admits she's never given anything but show business really serious consideration. She was only three when she made her first entertainment appearance on a Chico radio show. At age five she was in Hollywood playing the part of a little curly-headed imp in "Our Gang" comedies.

Through the years, Jana remembers well her singing and dancing roles with Horace Heidt, with the Roger Wagner choir at the 1953 coronation festival in London and on TV "Comedy Hour" shows.

Jana began singing with The Pied Pipers only last year and one of her very first jobs with them was to provide musical backgrounds for This is Your Music.

"But," said Jack Denove, TIYM producer, "she could dance, she's a doll to look at and she has an individual way with a song. So out from the background cast she came and right into a featured role on the show."

And how does Jana feel about

it: "This is Your Music is the big break, I'm sure. Who could go wrong in a musical done with the style and imagination of this one."

### Azusa Choir to Offer Grove Concert

The popular A Cappella Choir of the Pacific Bible College of Azusa, California, will present a sacred concert Sunday at 7:30 p.m. at Skyline Wesleyan Methodist Church, 1345 Skyline Drive, the Reverend Orval C. Butcher, pastor, announced today.

Featuring the unique arrangements of their director, Jack Arthur Rains, the choir offers a program rich in variety of appeal, included in the repertoire are classical sacred selections, variations on well known hymns and gospel songs, and negro spirituals.

The rhythmic singing of the Ambassadors Male Quartet provides a colorful contrast to the choir concert numbers.

A tuneful group of "western" gospel songs is sung by the entire ensemble around a lighted campfire. By popular demand, the program concludes with a spiritual dramatization of "On My Journey Home."

### NEW SCHOOL ROOMS COMPLETED FOR L. M. METHODIST CHURCH

Darroch, English teacher at the Lemon Grove Junior High, will be installed as president of the San Diego County Teachers Association tomorrow evening, May 20, at a 6:30 dinner at Sweetwater High School. Mrs. Darroch has held the office of first vice president in the county group for the past two years and is at present chairman of the California School Public Relations Association.

Gordon Shields, retiring president from Grossmont High School will act as installing officer with Arthur Stone, senior past president, as master of ceremonies.

Miss Jackson of Vista La Mesa is a Helix High student and former Lemon Grove pupil. Miss Gill of Chula Vista, who is being installed for a second term as secretary, is general chairman of the dinner which is expected to attract over 100 representatives of county teacher associations.

Sunday, July 3, will have as one of its feature events an exhibition by the "Tumbleweeds," a group of junior riders from this area, who in 1954, their first year of competition, went to the California State Horsemen's Convention, and brought back to San Diego County the reserve championship in the statewide competition.

Newman Gist, president of the San Diego County Horsehoers Association, will be the official farrier for the horse show.

### Lt. Calvi Graduates At Officer Candidate School

NEWPORT, R. I.—The Navy's Officer Candidate School graduated 700 reserve officers May 6 at ceremonies held at the Naval Station here.

Among the graduates was Alex F. Calvi, son of Mr. and Mrs. Christopher C. Calvi of 7628 Central Ave., Lemon Grove. Rear Admiral Thomas H. Rob-

bins Jr., USN, chief of staff of the Naval War College here, was the principal speaker.

### Throwin' The Bull

By BOB TURNBULL

It's a Joke, Son! . . . At times, it's still a man's world. Particularly around the first of the month.

Altar Arrests . . . The former Miss Elizabeth Lyons, Central Avenue, Lemon Grove, became the bride of Don Lenardi on April 22, in Texas. . . June Lenoir and Sam Pickard will wed in July. . . Maxine Smith recently married Paul Millan, and now they reside at 9044 La Mar St., Spring Valley. Following a surprise elopement, Donald Beebe is now living with her husband, Larry Bailey, in an apart-

ment in Aztec Terrace. Both attend State College. . . A Helix High sophomore, formerly known as Marlene Theresa Silva, is now officially titled Mrs. Robert C. Ball.

Local Scuttlebutt . . . Congrats to Miss Gail Coyle who became Honored Queen of the Lemon Grove Job's Daughters, last night in a ceremony held at Friendship Hall in Lemon Grove. . . Congrats to Louis Sonka, 8296 Golden Ave., Lemon Grove, who recently won recognition in judging contests held during the annual Poly Royal observance at California Polytechnic College at San Luis Obispo. Louis is a junior at Cal Poly. . . Now playing at the Grove Theatre: Dean and Jerry in "Three Ring Circus" and Rod Cameron in "Hell's Outpost." Starts Sunday: Marlon "The Wild One" Brando in "Desiree," and "Treasure of Ruby Hills" with Zachary Scott. . . Good luck to Sandy Jordan, Miss Lemon Grove, in her bid for Fairest of the Fair. . . We can thank our Heavenly Saviour that Loy Johnson and Carol Linville weren't hurt seriously when their car overturned near Helix High.

Helix in the Limelight . . . The blood, sweat and tears session is over and several gals and guys can relax. Some won, some lost, as it is in every election. But almost everyone will agree that Lorraine Sawyer, Patsy Drake, and Kris Johnston will make very capable songleaders next year at Helix. Miss Burke and Miss Johnston are local products. The newly elected cheerleaders are: Bobbie Sable, Sally Culver, Bob Jen-

ney and DeFoe Miller. . . A second-place good luck to Mary Youngblood, Miss La Mesa, in the race for Fairest of the Fair. . . Results of the Helix junior election: Bob Phillips, president; Judie Frymiller, vee; Mitzi Laughlin, secretary; and Bonnie Slaton, treasurer. . . Results of the senior election: Monty Dickinson, president; vee, Harvey Good, secretary; Shirley Quist; and treasurer, John Dukes. . . Congrats to Charles Miller of Helix High School for winning a \$2,000 Crown Zellerbach scholarship.

Entertainment . . . For all of you "young-at-heart" readers, a Jungle Jim TV series will presently make its debut. . . The top TV film among the male audience of these United States is "Inner Sanctum." . . I would like to take this opportunity to recommend the following upcoming TV film series for you TV addicts: "Behind the Scenes," "Highway Patrol," "The New

Adventures of Tom and Huck," "Tales of the Bengal Lancers," "Skin Diver," "Carmen Miranda," and "The Great Gildersleeve." . . Have you enjoyed your afternoons and evenings listening to Hunt-Hancock, Don Howard, and Peter Potter on stations like Lucky Lager, KFSD, Dance Time, KBIG, KFVD, KCBQ, KSDO and KSON? Well, another local music, sports and news station is in operation as of last Saturday morn. It is 910 on your dial and is commonly called KBAB. Give it a listen-to some time.

Dis'n Dat . . . "Whoever shall not receive the kingdom of God as a little child, he shall not enter therein." (Mark 10:15). . . Top pop tune: "Ballad of Davy Crockett," Fess Parker. . . Connie Grader, '54 Helix grad, is trying for songleader at State College. . . Congrats to Noel Mickelson, '52 Helix grad, for being listed in "Who's Who in American Universities and Colleges."

When you visit your Mayfair Market this week, take a good look at the produce department—at the immense variety, the huge quantities, at the care and attention given to our fresh produce. You will agree that "Old Timers" would be amazed.
